REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

In the response filed July 26, 2005, applicant argues that the Dubuc reference does not teach the sequence of steps claimed, wherein the original countertop is removed from the dwelling, positioned on the replacement marble slab in the truck, and used to demarcate the cutting guideline on the replacement slab. The examiner concurs. In contrast, Dubuc requires the slab to be delivered adjacent to a dwelling, then carried into the dwelling for marking, then brought outside of the dwelling to a mobile fabrication facility, then brought back into the dwelling after cutting (see column 11, lines 51-67).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
